Part H Transferee or lessee meter details

Specify the metering arrangements for the transferred allocation. Only one option can be selected.

Option 1 ☐ I intend to take the transferred or leased allocation through existing water meter(s). Complete works and meter details below.

If there are more than two meters, attach a separate list to this notice.

Works reference	Meter serial no.	Meter reading	Date read	Time read HH:MM AM/PM

Option 2 ☐ I intend to take the transferred or leased allocation but I do not have any works installed for the taking of water.

You may need to apply for a development permit for new works and arrange for a meter to be installed before taking water under the unsupplemented water allocation.

Option 3 ☐ I intend to take the transferred or leased allocation through existing works for the taking of water but these works do not have a meter attached.

A meter will need to be installed before you can take the water under the unsupplemented water allocation.

Option 4 ☐ I do not currently intend to take the water authorised to be taken under the unsupplemented water allocation.

Should your intentions change, the department must be advised prior to the taking of any water under the unsupplemented water allocation.

Part I Transferee or lessee declaration

All transferee(s) or lessee(s) to complete and sign the declaration below. If more signature space is required, copy or print a blank copy of this page, complete and attach.

I/We declare that the information provided in this notice and materials submitted in support is true and correct.
