	Authorised Holder	Other holder
Company Name/surname:		
Given name (if individual):		
ACN/ARBN		
Address:		
Town/City:		
State:		
Postcode:		
Country:		
Phone:		
Email*:		
% Holding:		

Date of birth
(if individual)

--	--

Tenancy

☐ Sole tenant ☐ Tenants in common ☐ Joint tenants

Disqualification

Indicate if the applicant, or an associate of the applicant, identifies with any of the matters considered to be relevant to deciding whether an applicant may be disqualified under [section 196C\(2\)](#) of the *Mineral and Energy Resources (Common Provisions) Act 2014* (MERC Act)?

Note that it is an offence to provide false or misleading information.

☐ Yes	☐ No
------------------------------	-----------------------------

associate, of an applicant for a prescribed matter, means either—

- (a) an entity the decision-maker for the prescribed matter considers is in a position to control or substantially influence the applicant's affairs in connection with the prescribed resource authority the subject of the prescribed matter; or
- (b) if the applicant is a body corporate—
 - (i) a director of the applicant; or
 - (ii) if the applicant is a subsidiary of another body corporate (the **parent company**)—
 - (A) the parent company; or
 - (B) a director of the parent company.

If yes to above, the following attachments are required:

[Disqualification Checklist](#)

Documents relating to the potentially disqualifying matters

☐☐

Authorised holder representative (authorised person to act as contact for this permit)

• Proof of identity for each holder e.g. <i>Company certificate issued by ASIC, drivers licence (for individuals)</i>	☐
• Letter of authority from all holders for authorised holder representative to act on behalf of holders for this permit (not required if applicant is an individual (not company) and representing themselves)	☐
• Company structure: If the applicant is a company, attach a document providing a list of directors and company secretary of the company	☐
• A proposed development plan complying with the initial development plan requirements	☐
• (Where applicable) Details that address the special criteria	☐
• A statement detailing why the size of the proposed area of the lease is appropriate for authorised activities under the lease	☐

Specify the application area for the permit. The application can be described by block and sub-block, by freeform (coordinates) or by supplying a shape file electronically with application.

List the required blocks and sub-blocks (attach additional pages if necessary).

Attachments required:

- Details about each applicant's ability to meet the capability criteria.
 - Indicate the experience of each applicant in exploration and production, addressing whether each applicant:
 - Currently holds a resources tenure; or
 - Has previously held a resources tenure within Queensland; or
 - Has previously held, or currently holds a resources tenure outside Queensland; or
 - Has not previously held a resources tenure.

☐

(If an applicant currently holds a resource tenure, or has previously held a resources tenure, please attach details of this tenure. If an applicant has never held a resource tenure, please attach details of the directors and their experience in running companies previously under their directorships, or attach a general summary containing details of the applicant's previous work history.)

- Detail each applicant's own financial resources, or of the financial resources readily available to each applicant
- Detail each applicant's own technical resources, or of the technical resources readily available to each applicant.
- Detail each applicant's ability to manage GHG stream storage
- A statement about how and when the applicant proposes to consult with and keep informed each owner and occupier of private or public land on which the authorised activities for the proposed GHG lease are or are likely to be carried out
- A proposed development plan that complies with the initial development plan requirements

☐☐☐☐☐

Note: the applicant must:

- comply with the land access framework under chapter 3 of the *Mineral and Energy Resources (Common Provisions) Act 2014*. For more details refer to the [website](#).
- Comply with any relevant Water Act authorisations
- Comply with any additional requirements that relate to overlapping tenures
- Please submit the relevant Environmental Authority (EA) application with the Department of the Environment, Tourism, Science and Innovation (DETSI) via Online Services. For more information on DETSI' online system or if you have not registered please visit the DETSI [website https://www.business.qld.gov.au/running-business/environment/online-services](https://www.business.qld.gov.au/running-business/environment/online-services). Alternatively you can access environmental forms online from <https://www.business.qld.gov.au/running-business/environment/licences-permits/forms-fees>. The resource authority may not be decided until the EA has been issued.

Question 4 –Obligations and declaration

WARNING: Giving false or misleading information is a serious offence.

- I have read and understood the **relevant guides**.
- I understand my obligations as an applicant/holder for a GHG injection and storage lease.
- I have truthfully declared all relevant details requested of me in this application.
- If any part of this form has been completed with the assistance of another person, I declare that the information as set down is true and correct and has been included with my full knowledge, consent and understanding.
- If a company, this application is signed in accordance with the *Corporations Act 2001*
